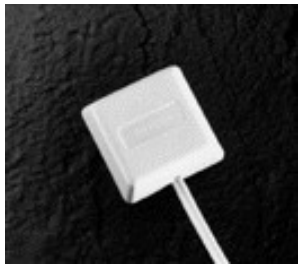
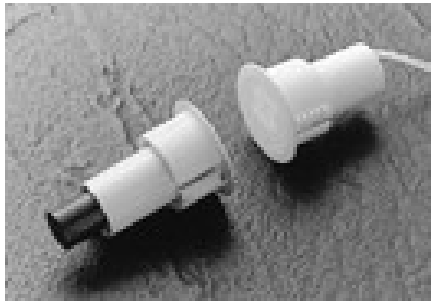
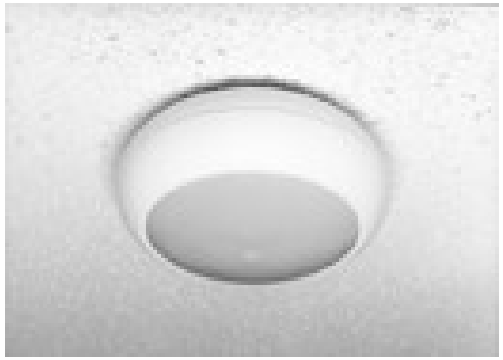
1) Interior, boundary/perimeter sensors

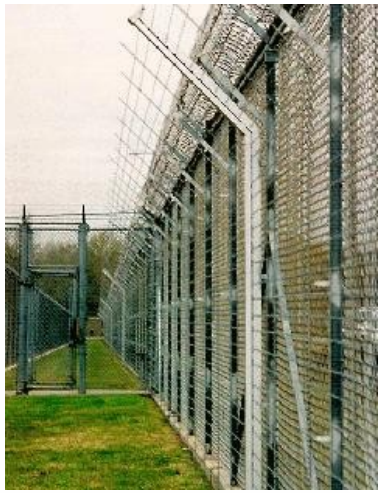


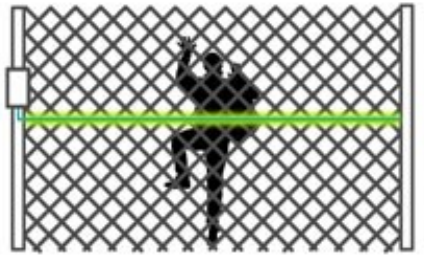


2) Interior, volumetric sensors

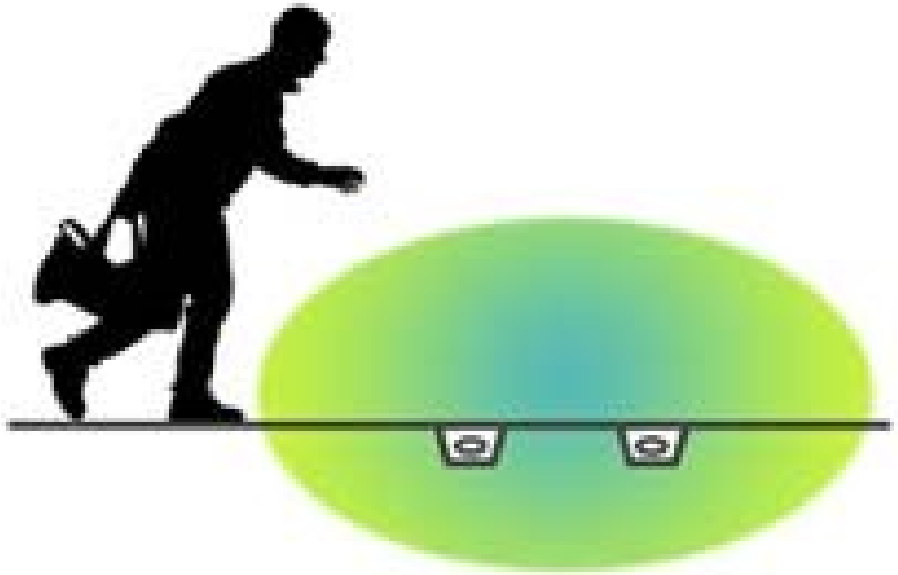


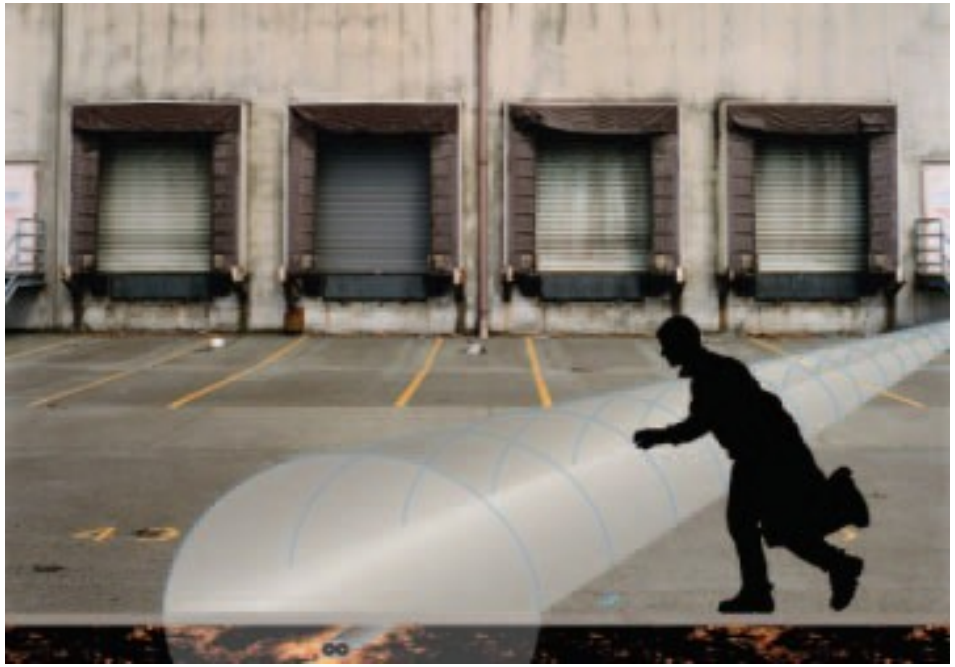
3) Exterior, perimeter, fence-associated sensors



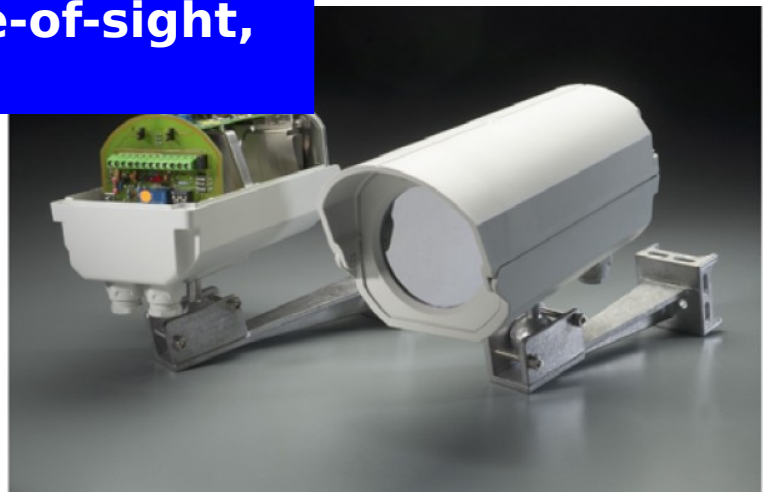


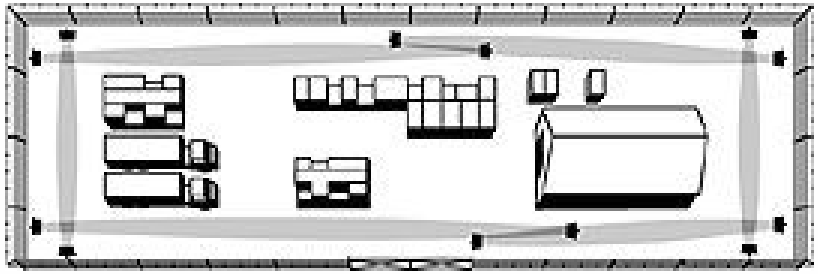
4) Exterior, perimeter, buried sensors





5) Exterior, perimeter, free-standing, line-of-sight, sensors

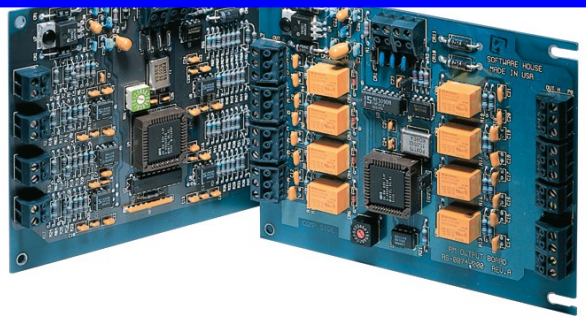


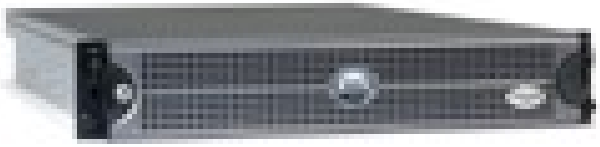


6) Electronic entry control hardware

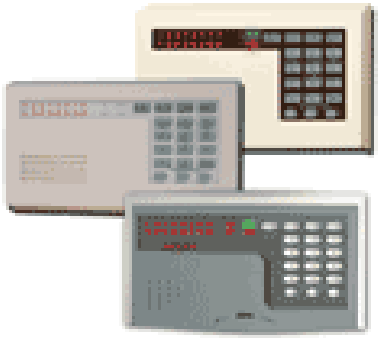
7) Imaging sensors & illumination sources

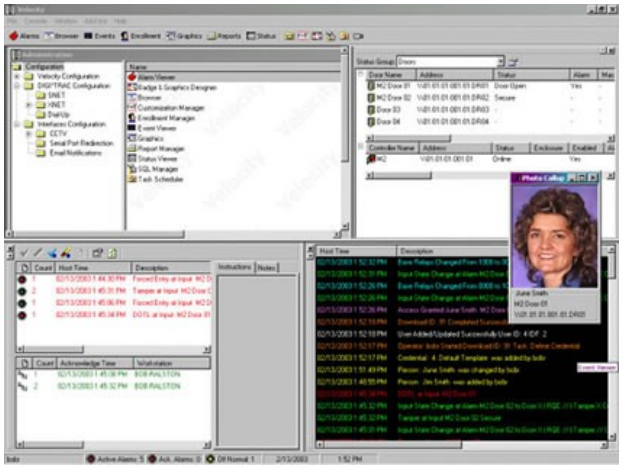
8) Data processing, transmission and archiving equipment





9) Security monitoring & control workstations





10) Data transmission media
